

Give As You Earn Scheme

Give As You Earn (GAYE), also known as payroll giving, is a system where employees can donate to charity directly from their gross salary (before tax) resulting in tax relief on the donation. Donations can be made monthly or as a one-off payment. It's a simple and tax-efficient way to support charities.

This is different to **Gift Aid** which allows charities to reclaim the basic rate tax already paid on donations by UK taxpayers, increasing the value of the donation at no extra cost to the donor.
